

TEVET

**YOUR SUCCESS IS OUR MISSION.
TRUST **TEVET** TO MAKE THE COMPLICATED EASY.**

Over the past two decades, TEVET has become the largest federal reseller of Test & Measurement equipment, systems, and software from the industry's premier OEMs and suppliers. TEVET provides cutting-edge technology and solutions to aerospace and defense, supported by robust experience and an obsession for exceptional customer service. Honored with over 50 industry service awards, TEVET is proud to be a certified Federal HUBZone, Service-Disabled Veteran-Owned Small Business (SDVOSB). TEVET's innovative LIBERTY Platform Solution brings a modular software-defined instrument, with leap-ahead technology and capabilities to the Electromagnetic Warfare (EW) spectrum.

LINE CARD

LARGEST FEDERAL RESELLER OF ENGINEERING EQUIPMENT & SUPPLIES

EQUIPMENT

- Industry-Leading OEMs
- In-Stock Distribution Product
- Supplier Consolidation
- Used and Rental Product
- Test System Peripherals
- Hundreds of Tier 2 OEMs

MARKETPLACE

- Connects into your ERP
- Customizable
- Streamlines Procurement
- Zero Touch
- Punch-In / Punch-Out
- Contractual Pricing

INTEGRATION

- Build to Print
- BOM Management
- Lower Labor Costs
- Skilled Engineering Staff
- Kitting / Labeling
- Warehousing

LIBERTY

- Real-time, multi-channel FPGA-driven architecture
- Femtosecond channel-to-channel time alignment
- Gap-less >1 GHz capture bandwidth
- 16+ synchronous & phase coherent channels
- RF record, playback, & loopback
- Frequency range up to 40 GHz
- Modular, scalable design

CONTRACTS

Enterprise Level Contracts with Leading Prime Defense Contrators
